UNITED STATES SENATE
Committee on
Government Operations Subcommittee on
National Policy Machinery

January 26, 1960

Hon. Allen W. Dulles Director of Central Intelligence Washington 25, D.C.

Dear Allen:

This is simply to thank you and your associates for your assistance on our recent projects. You have helped both us and the general public, and we are most grateful.

John Warner has been particularly helpful in this commection, and I hope you will extend to him our thanks.

Sincerely yours,

Signed Henry M. Jackson, U.S.S. Chairman, Subcommittee on National Policy Machinery

of original Commendation files

MEMORANDUM FOR: Mr. Dulles:

The assistance on the "projects" mentioned in Senator Jackson's letter concern the help given in particular by John Warner and Dick Lehman of OCI on two of the Committee's studies entitled, "Policy Machinery in the Soviet Union" and "Policy Machinery in Communist China."
